

MARY SUE ITTNER GRANT FOR BULB STUDIES

to advance knowledge of bulbs through research

Purpose of grant: This grant will fund any aspect of basic research, field-work, conservation, and horticultural discoveries that are geared towards "bulbs" which include true bulbs, corms and tubers. Any plant(s) that fits the definition of a bulb as defined by the PBS Wiki will qualify: <http://pacificbulbsociety.org/pbswiki/index.php/WhatisaBulb>.

Time frame: Application deadline April 15, 2016.

Grant amount: \$500 USD; to request a larger budget, please include a budget justification in your application form.

Eligibility: This grant is opened to any PBS member worldwide. You may join as a member when you submit an application for the grant. Any individuals doing research in an established institution or independent work are eligible.

Requirements:

- Application form and research statement (see guidelines below).
- A letter of support from someone who can speak to your abilities to perform the work described.

Application form and research statement guidelines:

In a 1-2 page, single spaced, typed document:

- Tell us a little about yourself.
- What is your bulb research interest?
- Tell us about your recent research activities.
- How will you use this grant to further your bulb research?
- Justify your full budget and if you have other sources of funding to complete the project
- Anything else you'd like for us to know.

Review:

- Review and selection of application is made by committee
- The application should meet the minimal requirements stated above

Terms of use:

- This grant may be used towards any required applications of your research.
- You must write an article (~1200 words) for our general newsletter, The Bulb Garden within one year of receiving the grant.
- Submit a summary report of your findings as supported by this grant to the PBS within one year of receiving the grant.
- The Pacific Bulb Society must be acknowledged in any communications (e.g. newsletters, peer-reviewed publications, talks, etc) supported by this grant.

Submission:

Please send all material electronically to:
